

Cyber Safety Workshop

A FREE 2 hour workshop to help parents understand more about:

- How young people use the internet and mobile phones including social networking, instant messaging, chat rooms and downloading music.
- Potential risks young people face using the internet.
- What parents can do to safeguard their children and sources of help and advice.
- Question and Answer session.

Cyber Safety Workshop
The Market Weighton School
Thursday 11th February 2010
